Incivility Night is tomorrow!

- **Incivility**: any negative behavior that demonstrates a lack of regard for other people
- We will be discussing various scenarios demonstrating incivility among nurse-nurse, nurse-patient, nurse-doctor interactions, etc
- Learn how to effectively handle these situations & combat incivility

A poster for 'Incivility Night' with a dark teal background and a red and white striped border at the top and bottom. At the top center is a red warning triangle with a white exclamation mark. Below it, the words 'INCIVILITY NIGHT' are written in large, bold, white capital letters. To the left of the text is a red speech bubble containing the white text 'WHAT CAN WE DO AS NURSES?'. To the right is the word 'INCIVILITY' in white capital letters with a large red 'X' over it. Below the main title, the event details are listed in white capital letters: 'TUESDAY NOVEMBER 27TH', '5:30-7:30 PM', and 'AT THE SKILLS LAB'.
