Global Initiatives Directors: Megan Ihde Ann Marie Correa	<p>Where Will Nursing Take You Event 2/22</p> <p>Cultural Awareness</p>	<p>-Where will nursing take you Event: Feb 22nd from 5-7PM</p> <p>-Cultural awareness: Pregnant women in the Hispanic culture wear a safety pin on their underwear in order to keep the baby healthy and ward off evil spirits. After the baby's birth they place a red and black beaded bracelet around the baby's wrist to keep evil spirits away. We need to respect and understand the intricacies of different cultures and know that if we operate within the superstitious realm we can improve health care interventions and connect more with patients. For example, instead of putting the bracelet on the baby's wrist, to prevent choking, have them put it on the baby's ankle instead</p>
BTN Directors: Kim Mariano Vreni Ilustrisimo	HASPI Mentor Applications	<p>Apply to become a HASPI Mentor!</p> <p>-Paired with one class for 9 weeks</p> <p>-Teach about SDSU's nursing program, college applications, bring class on field trips to</p>
