	Cultural Awareness	Cultural Awareness in Nursing Example: Many people from rural Vietnam believe that spirits are attracted to newborns and are likely to harm the infants. Consequently, parents do everything they can to avoid attracting attention to their new infants. Therefore, lack of concern and bonding between infants and parents in the NICU or postpartum care reflects an intense love for the infant, rather than a lack of bonding.
BTN Directors: Kim Mariano Vreni Ilustrisimo	Girl Scouts/ High School Presentation Thank You!	Thank you to all the volunteers who signed up for both Girl Scouts and High School Presentations! If you have any questions, come up to us after the meeting or e-mail us!
